(With a little bit...)  
(With a little bit...)  
(With a little bit of human luck)

The lord above gave man an arm of iron  
So he could do his job and never shirk  
The lord above gave man an arm of iron  
But!

(With a little bit of luck)  
(With a little bit of luck)  
(Someone else will do the thinkin' work)

(With a little bit...)  
(With a little bit...)  
(With a little bit of luck you'll never work)

The lord above made man to help his neighbor  
No matter where on land or sea or?  
The lord above made man to help his neighbor  
But!

(With a little bit of luck)  
(With a little bit of luck)  
(When he comes around you won't be home)

(With a little bit...)  
(With a little bit...)  
(With a little bit of luck you won't be home)

Oh you can walk the straight and narrow  
(But with a little bit of luck you'll run amuck)  
The gentle sex was made for man to marry  
To bend his knee was and see his food his cooked  
The gentle sex was made for man to marry  
But!

(With a little bit of luck)  
(With a little bit of luck)  
(You can play the field and not get hooked)

(With a little bit...)  
(With a little bit...)  
(With a little bit of luck you won't get hooked)

(With a little bit...)  
(With a little bit...)  
(With a little bit of human...)  
(With a little bit of human...)  
(With a little bit of human luck)
