Take the girls
Take the money
Cos you want to survive
It's a hard world
With hard people
And it's nothing but heartache

Angel man
Are you in love with one girl
Oh angel
You fight for respect
But you can't take on
The whole world

Diamond rough
Are you a child of the devil
Oh angel
There's no stopping you now
There's no turning back
Angel man

A man of means
With the Midas touch
Everybody's searching
Cos they all want as much
In this hard world
With hard people
And it's nothing but heartache

Angel man
Are you in love with one girl
Oh angel angel
There's no stopping you now
There's no turning back
Angel man
Angel man
Angel man
Oh angel

You're the last of the angry young men
The only man who has all the power
And the glory

Who cares nothing
For no-one

Angel man
Are you in love with one girl
Oh angel
You fight for respect
But you can't take on
The whole world

Diamond rough
Are you a child of the devil
Oh angel angel
There's no stopping you now
There's no turning back
Angel man
Angel man
You're the last of the angry young men
Such aggression
You fight for respect
But you can't take on the whole world
Angel man
