Might as well ask me
To drown in the dead sea
You might as well ask me
To walk a high wire

You might as well say
The sky is falling
You can say stop
But I know I can't

I've been loving you far too long
I can't stop it
I've been loving you far too long
I can't stop it now

Coast to coast
I have seen the world
Seen the rest
And you are the best

Chorus
Can't stop it baby
Can't stop this love for you

All my moods
You always win me round
Don't leave me darling
Don't wanna
Learn a brand new dance

Might as well ask me
To steal the taj majal
Spend a night along
In a haunted house

You can say stop
But I know I can't

Can't stop it baby
Can't stop this love for you
Can't stop it baby
Can't stop this love for you

Can't stop loving you
Can't stop loving you
Can't stop loving you
Can't stop it baby
Can't stop this love
I have for you darling
Deep down inside
I will always love you darling

Can't stop it
Can't stop can't stop
Can't stop can't stop
Can't stop can't stop
This feeling

Say stop but I know
I can't stop I can't stop
I can't stop I can't stop
I can't stop can't stop
Loving you darling
I can't stop loving you
I can't stop I can't stop
