I've told some dark truths  
And I can't keep on lying  
'Cos one day I'll find  
I'm not your hero

It's so nice  
That someone thinks you're special  
Treat them right  
That trust in you is precious  
All the same  
We make mistakes

I've used up a few lives  
Now I'm afraid of dying  
'Cos one day I'll find  
You're not forgiving

It's so nice  
There's someone to rely on  
Treat them right  
That trust in you is precious  
All the same  
All the same  
We make mistakes  
And I've used up a few lives  
Oh...
