I have lost in love
I have lost in love, that's twice today
Now you're on my mind
What will I find?
Will you be kind to me?

I won't be afraid
I won't be afraid to love this time
Gentle yet firm
Darling, I'm yours
Hold me tonight

'Cos I got a feeling in my heart for you
I got a feeling in my heart for you
Got a feeling in my heart for you
I got a feeling in my heart that's true
Oh, I, I, I got a feeling in my heart for you
I got a feeling in my heart for you

Never leave your side
I will never turn my back on you
This feeling's no lie
It's just you and I
Hold me tonight

'Cos I got a feeling in my heart for you
I got a feeling in my heart for you
I got a feeling in my heart for you
