I see your body when I look at you
It's breating me up
Cos you say we're through
It's such a shame
If we just had to remain

Friends not lovers
Two people
One state of mind
We can't be friends
Not lovers
No way
Baby I'm not lying

I want you back
I want you back

Maybe baby

You're not aware
Broken hearts
Can get repaired
It's a losing game
If we should have to part as

Friends not lovers
Two people
One state of mind
We can't be friends
Not lovers
No way
Baby I'm not lying

I want you back
I want you back

I see your reasons
I know your fears
People change
I stand here
To be what you want
To be where you are

I just wanna say

We can't be friends and not lovers

Two people

One state of mind

We can't be friends

Not lovers

No way

Baby I'm not lying

I want you back

I want you back
