Baby's gone  
Baby's gone and left me  
I'm so sorry  
I'm so sorry for the thing

I wouldn't blame you  
If you never come back  
Darling what you had to go through  
I could never live like that  
I was stupid stupid stupid  
I'm ashamed

I lost the friends we made  
I lost the money we saved  
I lost the love you gave  
In the early days  
I had everything  
Threw it all away  
Threw it all away  
I was mad

Darling I've changed  
You have my word on that  
I was a fool to myself  
And a devil to you  
Now I hurt you really hurt me  
Ashamed  
I miss the fun we had  
I miss the games we played  
I knew the score  
Still I cheated  
Now I'm history  
Threw it all away  
Threw it all away  
I was mad I was mad  
I was mad

I lost the friends we made  
I lost the money we saved  
I lost the love you gave  
In the early days  
I had everything

Couldn't ask for more  
Threw it all away  
It's so sad I was bad I was mad

I lost a precious thing  
Respect from you  
I blew it all  
Now I want it back  
It's good news day  
When you call me up  
Please won't you call me  
I'll be good
