I am not in love  
But I'm open to persuasion  
East or West  
Where's the best  
For romancing

With a friend  
I can smile  
But with a lover  
I could roll my head back  
I could really laugh  
Really laugh

Thank you  
You took me dancing  
'Cross the floor  
Cheek to cheek  
But with a lover  
I could really move  
Really move  
I could really dance  
Really dance  
Really dance  
Really dance  
I could really move  
Really move  
Really move  
Really move

Now if I can feel the sun  
In my eyes  
And the rain on my face  
Why can't I  
Feel love ?

I can really love  
Really love  
Really love  
Really love  
Really love  
Love love love love  
Love love love love

Now I got all  
The friends that I want  
I may need more  
But I shall just stick to those  
That I have got  
With friends I still feel  
So insecure

Little darling I believe you could  
Help me a lot  
Just take my hand  
And lead me where you will  
No conversation  
No wave goodnight  
Just make love  
With affection

Sing me another love song  
But this time  
With a little dedication  
Sing it, sing it  
You know that's what I like  
Once more with feeling  
Give me love  
Give me love  
Give me love  
Love...

{Sax solo}

Make love with affection

Sing me another love song  
But this time  
With a little dedication  
Sing it, sing it  
You know that's what I like

Once more with feeling  
Sing me another love song  
But this time  
With a little dedication  
Sing it, sing it  
You know that's what I like

With affection  
With a little dedication  
Once more with feeling  
You know that's what I like  
Love
