Well you started out wanting my body
And I didn't mind
'Coz we liked each other
And it also helped to pass the time

Well everybody dreams of one
And now I want you and not just for fun

But if you've got no love to give
Baby don't give it here
If you've got no love to give
Baby don't give it here

I wanted you to be my lover
I would be your friend
And I'd wear the purple shirt
'Coz it makes you laugh
And I would too

Well if there's anything I can do
I wanna do it

And if I had no love to give
I wouldn't give it to you
If I had no love to give
I wouldn't give it to you
Baby I wouldn't give it

Your best friend's friend told someone
I was the hurting kind
And they've planted that seed
And it's growing there in your mind

Well if you're looking for a permanent mate
Just accept me as your fate

'Coz if I had no love to give
I wouldn't give it to you
If I had no love to give
I wouldn't give it to you
Baby I wouldn't give it to you

I wouldn't give it to you
Baby I wouldn't give it to you
I wouldn't give it to you
Baby I wouldn't give it
