Shell me with questions all night  
I'm living in a danger zone  
Like a sword of destruction  
Eating at your very soul

Possessed by emotional tides  
Your love is a chain  
Ooh, hoo hoo

Sometimes I don't wanna go home  
'Cos I know it's gonna start again  
Sometimes I don't wanna to home  
'Cos I know it's gonna start again

Sometimes I don't wanna go home  
'Cos I know it's gonna start again  
Sometimes I don't wanna to home  
'Cos I know it's gonna start again

I'm the soul of discretion  
Your mountain is a grain of sand  
And I'm tired of the life that I live  
Ruled by your iron hand

Stop picking on me  
It's getting down from bad to worse  
Stop picking on me

Is this love? Is this love?  
Is this love? Is this love? Is this love?

Sometimes I don't wanna go home  
'Cos I know it's gonna start again  
Sometimes I don't wanna go home  
I know it's gonna start again

Sometimes I don't wanna go home  
'Cos I know it's gonna start again  
Sometimes I don't wanna go home  
'Cos I know it's gonna start again

Shell me with questions all night

I'm living in a danger zone  
Obsessed and emotional  
Your love is a chain

Sometimes I don't wanna go home  
Sometimes I don't wanna go home

Sometimes I don't wanna go home  
'Cos I know it's gonna start again, it's gonna  
Sometimes I don't wanna go home  
'Cos I know it's gonna  
I know it's gonna start again

Sometimes I don't wanna go home  
I know it's gonna  
Sometimes I don't wanna go home  
'Cos I know it's gonna  
I know it's gonna start again
