I'm not the sort of person who falls  
In and quickly out of love  
But to you I gave my affection  
Right from the start

I have a lover  
Who loves me  
How could I break such a heart  
Yet still you get my attention

Why do you come here  
When you know I've got troubles enough  
Why do you call me  
When you know I can't answer the phone

Make me lie  
When I don't want to  
And make someone else  
Some kind of an unknowing fool

You make me stay  
When I should not  
Are you so strong  
Or is all the weakness in me

Why do you come here  
And pretend to be just passing by  
But I mean to see you  
And I mean to hold you tightly

Feeling guilty worried  
Waking from tormented sleep  
This old love has me bound  
But the new love cuts deep

If I choose now  
I'll lose out  
One of you has to fall  
And I need you and you

Why do you come here  
When you know I've got troubles enough

Why do you call me  
When you know I can't answer the phone

Make me lie  
When I don't want to  
And make someone else  
Some kind of an unknowing fool

You make me stay  
When I should not  
Are you so strong  
Or is all the weakness in me

Why do you come here  
And pretend to be just passing by  
But I mean to see you  
And I mean to hold you tightly
