I'm not the sort of person who falls in and quickly out of
love

But to you, I give my affection, right from the start.

I have a lover who loves me - how could I break such a
heart?

Yet still you get my attention.

Why do you come here, when you know I've got
troubles enough?

Why do you call me, when you know I can't answer the
phone?

And make me lie when I don't want to,

And make someone else some kind of an unknowing
fool?

Make me stay when I should not?

If you're so strong then resolve the weakness in me.

Why do you come here, and pretend to be just passing
by?

I need to see you - I need to hold you - tightly.

Feeling guilty,

And I'm worried, and I'm waking from a tormented
sleep

'Cause this old love, you know it has me bound,

But this new love cuts so deep.

If I choose now, I'm bound to lose out;

One of you is gonna have to fall...

I need you, baby.

Why do you come here, when you know I've got
troubles enough?

Why do you call me, when you know I can't answer the
phone?

And make me lie when I don't want to,

And make someone else some kind of an unknowing
fool?

Make me stay when I should not?

If you're so strong then resolve the weakness in me.

Why do you come here, and pretend to be just passing
by?

I need to see you - I need to hold you - tightly.
