In the new edition  
I'm gonna rule out friction  
I'm gonna get someone  
Who understands

I want a heart  
Less demanding  
Speak your mind  
But standing  
Cuddling close  
Cuddling close

A thinking man's  
What I want  
In action  
And in words  
A thinking man's  
What I need  
And if you can't give respect  
It's better we don't start

I've had enough indifference  
I... I... I...  
That's all I heard  
That's all I heard

I want someone  
Who listens  
No fighting  
For position  
No other self  
To have to satisfy

Oh I wanna be with you  
I know that you want me too  
Say it's not just for my body  
Give me piece of mind  
Give me piece of mind

In the new edition  
I'm gonna rule out friction  
Cuddling close

Cuddling close
