Want you  
And I don't know what to do  
Should I try to meet you after work?  
By coincidence

Should I make a beeline  
To your door, ring your bell  
Ask someone to introduce us

Hey baby, would you like to dance?  
Would you like to see my yacht?

Should I faint right at your feet  
Walk right up and ask you  
If you want to take a chance on me

Or start a conversation  
With an old time melody  
I'll treat you like a newborn child  
Show a lot of self-restraint

I want your loving  
Can't live without you  
Said I need your loving, need your loving  
Don't leave it too late  
Said I need your loving, need your loving

Hey baby, would you like to dance?  
I'd show a lot of self-restraint

I want your loving  
Can't live without you  
And I need your loving, need your loving  
Can't live without you  
Said I need your loving, need your loving

Hey baby, would you like to dance?  
We could have a fine romance  
Would you like to see my yacht?  
I'll give you every little thing I got

Treat you like a newborn child

Protect you from the world outside  
Show a lot of self-restraint

Until you say you're really ready

Hey baby, would you like to dance?  
We could have a fine romance  
Would you like to see my yacht?  
I'll give you every little thing I got

Don't leave it too late  
Said I need your loving, need your loving

Hey baby, would you like to dance?  
We could have a fine romance  
Would you like to see my yacht?  
I'll give you every little thing I got
