### "Oh My Country (translation)"

Oh, my country you are on my mind  
fresh, fragrant Uist of the saplings  
Where the noble men are found  
Who gave their hereditary allegiance to  
'Mac ic Ailein'  
Land of bent grass, land of barley  
Land of abundance of every kind  
Where the young lads will be  
Singing songs and drinking beer.  
They will come to us deceitful and cunning  
In order to entice us from our homes  
They will praise Manitoba to us  
A cold country with no coal and no peat
