Prime mover

(Joan as Police Woman EP)

Follow me, he said
Staring at my face again
He said, I want to be your Farrakhan
Forget all the things you heard about
I'm your man, he said

If I were all together crazy
I wouldn't feel a thing
When he said all those things he said
But I'm not there yet
So I followed him
I followed him instead

I found the prime mover
He's the hero in my head
The pale moonlight
The pale moonlight
Prime mover
He's the hero in my head
The pale moonlight
Even when the sun's blazing

I want everything
I want everything

'Cause sometimes I don't want to lead
I play the horses all the time
It's true
I like him 'Cause he let's me hold the fruit
While he tests it out
Over and over again

I found the prime mover
He's the hero in my head
The pale moonlight
The pale moonlight
He's the prime mover

He's the hero in my head
He's the pale moonlight
Even when the sun's blazing
I found the prime mover
He's the hero in my head
In the pale moonlight
Even when the sun's blazing

'Cause
I want everything
I want everything
I want everything
