My gurl

(Joan as Police Woman EP)

The ceiling below
The length of your shoulders
Is slipping
And reeling
In stopped motion
In stopped motion
In stopped motion

On the path, the fine line
Moving to my gurl
My twin, undetectable
My criminal
We're keeping the sea sated

Straight ahead with focus
Moving to my gurl
Amidst the rage, the firing range
And fashion
The clicking of heels surrounds me
Oh-oh
I call to the sky
"we will rise up, against the invisible"
I'll brush the hair from my eyes
Cause it's in my way
And I wanna see you see me shine

I know the way in
And you all the way in

I live in the shake-me
And you so suddenly

Feeling you before me
Moving to my gurl
Black pearls of blood rotation
We're living in true wonder

I call to the sky

"we will rise up, against the invisible"
I'll brush the hair from my eyes
Cause it's in my way
And I wanna see you see me shine
I call to the sky
"we will rise up, against the invisible"
I'll brush the hair from my eyes
Cause it's in my way
And I wanna see you see me shine

Hot flashes the way inside you
I will bend in the ocean
And spread the sky
I know the way in
And you all the way in
I will bend in the ocean
And spread the sky
