How many roads must a man walk down before you call
him a man?

Yes'n' How many seas must a white dove sail before
she sleeps in the sand?

Yes'n' How many times must the cannon balls fly
before they're forever banned?

The answer, my friend, is blowin in the wind

The answer is blowin in the wind

How many times must a man look up before he can see
the sky?

Yes'n' How many ears must one man have before he
can hear people cry?

Yes'n' How many deaths will it take till he knows that to
many people have
died?

The answer, my friend, is blowin in the wind.

The answer is blowin in the wind

How many years can a mountain exist before its
washed to the sea?

Yes'n' How many years can some people exist before
they're allowed to be free?

Yes'n' How many times can a man turn his head
pretending he just doesnt see?

The answer, my friend, is blowin in the wind

The answer is blowin in the wind
