I NEVER WILL MARRY

Some say that love is a gentle thing  
But it only has brought me pain  
And the only boy I ever loved  
Has gone on that midnight train.

I never will marry  
I'll be no man's wife  
I expect to live single  
All the days of my life.

The train pulled out and the whistle blew  
With a long and a lonesome sound  
He's gone, he's gone like morning dew  
And left me behind

I never will marry  
I'll be no man's wife  
I expect to live single  
All the days of my life

There's many a change in the winter wind  
And in the clouds design  
There's many a change in a young man's heart  
Never a change in mine

I never will marry  
I'll be no man's wife  
I expect to live single  
All the days of my life.
