Out in the wide world Kitty, pretty Kitty
Out in the wide world Kitty, far across the sea

My Kitty sailed away from me
To strange and distant lands
And when I asked a goodbye kiss
She said, "Oh no, shake hands"

Out in the wide world Kitty, pretty Kitty
Out in the wide world Kitty, far across the sea

When Kitty left she said she'd write
He promised her the same
But his address somehow got lost
And she forgot his name

Out in the wide world Kitty, pretty Kitty
Out in the wide world Kitty, far across the sea
