Ah, now I don't hardly know her  
But I think I could love her

Crimson and clover

Ah, now when she comes walking over  
Now I've been waitin' to show her

Crimson and clover, over and over

Yeah, my, my such a sweet thing  
I wanna do everything  
What a beautiful feeling

Crimson and clover, over and over

Crimson and clover, over and over  
Crimson and clover, over and over  
Crimson and clover, over and over  
Crimson and clover, over and over
