Say man looky here

Let's get together tonight an' play some hide & go seek

Whatcha say

Yeah Well c'mon

Well I love you love you love you

Tickle tickle hug me hug me hug me

You all hid yeah

If you ain't hid ya better holler billy goat bah

Are you ready I'm not ready

Aw man let's hide this time

I went down the road the road was muddy

I stubbed my toe my toe was hurtin'

You all hid yeah

If you ain't hid you better holler billy goat bah

Two bars of washin' powder two bars of soap

Already hid you better holler billy goat

I went down the road the road was muddy

I stubbed my toe my toe was hurtin'

Walk don't jump to the bottom of the well

Swam by the devil n' he

Wha'd he say, wha'd he say

I'm not gonna say that

You all hid yeah

If you ain't hid you better holler billy goat bah

look what I go look what I go

Aw man will you put down that thing you got

In your hand an' find your hole an' get it it

I'm gonna say this just one more time yep

5 10 15 20 25 30 35 40 45 50

You all hid yeah

If you ain't hid you better holla billy goat bah

One potato two potato three potato four

All ain't ready better let me go

If you hid, behind my pie

I'm gonna hit you right in the eye

You all hid yeah

If you ain't hid you better holla billy goat bah

Now are you ready I'm still not ready

Aw man looky here I want you to find yourself

The tallest tree an' I want you to climb up in it

An' walk out on the limb an' jump  
An' I hope that you fall in the deepest hole  
I mean listen, cause I'm gonna say this  
Just one more time  
Say I went down the road, the road was muddy  
I stubbed my toe my toe was hurtin'  
Two bars a' washin' powder two bars a' sop  
All ain't hid you better holla billy goat (bah)  
now I know you're ready this time man  
I'm ready I'm ready
