I can still remember

It wasn't long ago

Things you used to tell me

You said I had to know

Told me that you loved me

And that you always would

Then I said I loved you

You said that that was good

Then you made a promise, said you'd never want me to
go

Oh no

Indian giver Indian giver

You took your love away from me

Indian giver Indian giver

Took back the love you gave to me

Baby I was feeling

The way I want to feel

You had me believing

The love we had was real

Things we did together

You said they'd never end

Now until forever Oh yeah that was what you said

Then when I was down I knew you'd always be there

Oh yeah

Indian giver Indian giver

You took your love away from me

Indian giver Indian giver

Took back the love you gave to me

Indian giver Indian giver

You took your love away from me

Indian giver Indian giver

Took back the love you gave to me

Indian giver Indian giver

You took your love away from me

Indian giver Indian giver

Took back the love you gave to me
