Time has come today
Young hearts can go their way
Can't put it off another day
And I don't care what the others say
'Cause they say we don't listen anyway
Time has come today, Hey

The rules have changed today, Hey
I have no place to stay, Hey
And I'm thinkin' about the subway, Hey
Love has gone away, Hey
And tears have come and gone, Hey
Oh my God, I have to run, Hey
I have no home, Hey
I have no home, Hey

Now the time has come, Time
There's no place to run, Time
Might get burned up by the sun, Time
Well, I've had my fun, Time
Well, I've been loved and put aside, Time
And I've been crushed by tumblin' tide, Time
And my soul's be psychedelized, Time

Now the time has come, Time
There are things to realize, Time
Time has come today, Time
Time has come today, Time

Time

Now the time has come, Time
There are things to realize, Time
Time has come today, Time
Time has come today, Time

Time

Now the time has come, Time
Time has come today, Time
Time has come today, Yeah
