My animal nature
Will dominate ya
Just wait and see

Yeah, there's no protection
This whole deception
Is killing me

Look what we got
It's not what it seems to be
Take aim and fire
Gotcha, gotcha, gotcha, gotcha

Hey it's so confusing
This whole illusion
Will tell on you

You take what you want
Get what you need
Take aim and fire
Gotcha

{Chorus}:
Who, who, who can you trust
Who can you trust
Just say enough is enough
Enough is enough
Who, who, who can you trust
Who can you trust
Just say enough is enough

Who, who, who can you trust

Look what we got
It's not what it seems to be
Take aim and fire
Gotcha

{Chorus}

Who, who, who can you trust
Who can you trust

Just say enough is enough
Enough is enough
Who, who, who can you trust
Who can you trust
Just say enough is enough
Oh, I gotcha

{5x}
Who, who, who can you trust
Who can you trust
Just say enough is enough
Oh, I gotcha

Who, who, who can you trust
Who can you trust
Just say enough is enough
