Yeah, yeah, yeah

She works real hard to try and make things right  
To see if she can find a reason for what's wrong in life  
She puts her thoughts into magazine form  
And passes them all around her dorm  
Showing me another way, another way to fight

Activity Grrrl, trying to change the world  
She's gonna knock on your door  
Activity Grrrl, in an uptight world  
She's impossible to ignore

She spends her days involved in community things  
And at night she goes out to a club where she likes to sing  
She teaches so the others will know  
There's more beneath the skin that doesn't show  
And she's looking at the challenge that tomorrow's bringing

Activity Grrrl, trying to change the world  
She's gonna knock on your door  
Activity Grrrl, in an uptight world  
She's impossible to ignore

Hopes to fix the problems that come within her space  
And takes hurting people real serious, you can see it on her face  
She can't accept that life is unfair  
She wants to think that others care  
And won't go away, she's gonna stay right in your face

Activity Grrrl, trying to change the world  
She's gonna knock on your door  
(I've got a gun, I've got a gun)  
Activity Grrrl, in an uptight world  
She's impossible to ignore

Activity Grrrl, trying to change the world  
She's gonna knock on your door  
Activity Grrrl, in an uptight world

She's impossible to ignore

Shit, yeah
