(Jett-Child)

Here I am before you this is what I am
Tell me what you're thinkin' tell me where I stand, stand
with you

I got a ring on my finger for every broken heart
I got a line in a song for every time I was torn apart
I got a past like a book but I'll turn the page for you
tonight. . .

An' if it takes all night I will be with you
Till we get it right I will see it through
The fire burns and it would be a sin
To let our passion turn to ashes in the wind. . .

Here I am before you this is all I've got
I'm waitin' for an answer well I just gotta talk, talk to you
I got a bracelet on my wrist for everytime my heart was
bound

I got a chain around my neck for everytime somebody
tried to tie me down
I gotta leave tomorrow mornin' tonight is all we got
alone. . .

An' if it takes all night I will be with you
Till we get it right I will see it through
The fire burns and it would be a sin
To let our passion turn to ashes in the wind
Ashes in the wind. . .

Here I am before you

Is this what you want well?
Does this feelin' scare you
In your mind you run
Run from me
Though it looks like I got treasure but it's my life I wear
to town
'cause this heavy load aint' silver it's your love that
weights me down. . .

An' if it takes all night I will be with you
Till we get it right I will see it through
The fire burns and it would be a sin
To let our passion turn to ashes in the wind
An' if it takes all night I will be with you
Till we get it right I will see it through

The fire burns and it would be a sin
To let our passion turn to ashes in the wind
Ashes in the wind. . .
Ashes in the wind. . .
