Things don't matter so much today
I really, I can't think too straight
Don't wanna make, don't wanna make these tears go
away
'Cause I believe that, I believe that you could be my
fate

You got me singin' a love song
I'm so consumed, so consumed
Thinking that you can do no wrong
I'm so consumed, so consumed

These tears are tears of happiness
I just need a little control
To hold it inside and hide my bliss
And hope it will be enough to feed my hungry little
soul, yeah

You got me singin' a love song
I'm so consumed, so consumed
Thinking that you can do no wrong
I'm so consumed, so consumed

You got me singin' a love song
I'm so consumed, so consumed
Thinking that you can do no wrong
I'm so consumed, so consumed

Never off the phone, even when you're not home
I gotta hear your voice, I got no choice
I'm hooked in tight but I, I feel no fright, no fright, no
fright, no fright, no fright
As we walk on slowly into the night, into the light, into
ya

You got me singin' a love song
So consumed, I'm so consumed
Thinking that you can do no wrong
So consumed, I'm so consumed

You got me singin' a love song
So consumed, I'm so consumed

Thinking that you can do no wrong
So consumed, I'm so consumed

You got me singin' a love song
So consumed, I'm so consumed
Thinking that you can do no wrong
So consumed, I'm so consumed
