I've been friends with you for many days
And I know you in so many ways
So let's go for a drink to ensure [Incomprehensible] or
whatever

But what do you think about when it's dark out
After we say goodnight, I wonder

Ooo, you're my fantasy
Ooo, you and me it could be
You're my fantasy

I know there's somethin' on your mind
And it's bugged us for a long, long time
You're miles off my case
You have somethin' to say but you shy away
Hey, baby

What is on your mind in the daytime?
'Cause I'm hopin' to see you tonight
And I'm wonderin'

Ooo, you're my fantasy
Ooo, you and me it could be
You're my fantasy

Every time I nearly get to be closer
Why do I feel this strange inclination
Is it just my imagination? Aww, yeah

Tell me you're dreamin'
Don't tell me you're dreamin'
Tell me you're dreamin'

I wanna say what I'm thinkin' about
I'm never sure what I'll find
But I'm wonderin'

Ooo, you're my fantasy
Ooo, you and me it could be
You're my fantasy

Ooo, you're my fantasy
Ooo, I have you, yes I do
You're my fantasy

Every time I nearly get to be closer, aww
Tell me you're dreamin'
Tell me you're dreamin'
