(J. Jett/K. Bjelland)

Oh I was feelin' so much  
But I was losin' touch  
See the way that I feel  
I feel unreal

Don't vacuum my heart  
Because I'll rip you apart  
Or I'll let you inside  
And take your mind for a ride

You went away  
I hate this game  
I fell away  
I'm here today  
You know my name  
I'm here to stay  
Don't wanna play  
Your stupid game

I can't take more of this  
I'm gettin' really pissed  
All alone in my mind  
Dreamed you all the time

You ran away  
I hate this game  
I fell away  
I'm here today  
You know my name  
It's here to stay  
Don't wanna play  
Your stupid game  
(Gonna play it anyway, anyway, ain't we)

It's the same old thing  
I'm sick of everything  
Seems I know it too well  
Just your little hell, hell

You ran away

I hate this game  
I fell away  
I'm here today  
You know my name  
It's here to stay  
Don't wanna play

You ran away  
I hate this game  
I fell away  
I'll leave today  
You know my name  
It's here to stay  
Don't wanna play  
Don't wanna play  
Your stupid game
