(J. Jett/D. Sparks/K. Laguna)

I sense a bad vibe  
It's comin' from all sides  
Hard to keep my head clear  
This trip's a sad ride

Too much distraction  
A negative reaction  
Ain't gonna stay here  
I don't need this action

I try to understand  
What's goin' on, what's goin' on  
It's all around me  
Am I the only one?

Hostility  
All this crap is killin' me  
What's with this Hostility  
All this crap is killin' me

Everybody's lyin'  
Attitudes are flyin'  
But I'm not even tryin'  
I'm workin' at survivin'

I try to understand  
What's goin' on, what's goin' on  
It's all around me  
Am I the only one?

Hostility  
All this crap is killin' me  
What's with this Hostility  
All this crap is killin' me

I sense a bad vibe  
It's comin' from all sides  
Hard to keep my head clear  
This trip's a sad ride

Hostility  
All this crap is killin' me  
What's with this Hostility  
All this crap is killin' me
