Midnight gettin' uptight Where are you  
You said you'd meet me now it's quarter to two  
I know I'm hangin' but I'm still wantin' you

Hey Jack It's a fact they're talkin' in town  
I turn my back and you're messin' around  
I'm not really jealous don't like lookin' like a clown

I think of you ev'ry night and day  
You took my heart then you took my pride away

I hate myself for loving you  
Can't break free from the the things that you do  
I wanna walk but I run back to you that's why  
I hate myself for loving you

Daylight spent the night without you  
But I've been dreamin' 'bout the lovin' you do  
I won't be as angry 'bout the hell you put me through

Hey man betcha you can treat me right  
You just don't know what you was missin' last night  
I wanna see you beggin', say forget it just for spite

I think of you ev'ry night and day  
You took my heart then you took my pride away

I hate myself for loving you  
Can't break free from the the things that you do  
I wanna walk but I run back to you, that's why  
I hate myself for loving you

I think of you ev'ry night and day  
You took my heart then you took my pride away

I hate myself for loving you  
Can't break free from the things that you do  
I wanna walk but I run back to you that's why  
I hate myself for loving you

I think of you ev'ry night and day  
You took my heart then you took my pride away

I hate myself for loving you  
Can't break free from the the things that you do  
I wanna walk but I run back to you that's why  
I hate myself for loving you  
I hate myself  
For loving you  
I hate myself  
For loving you  
I hate myself  
For loving you  
I hate myself  
For loving you  
I hate myself  
I hate myself for loving you
