(Jett)

My one and only shining star said stick with me and I'll
take you far

Your eyes are sparklin with teenage fire

I'll satisfy your mad desire

I love playin' with fire

I don't wanna get burned

I love playin' with fire

Don't think I'll ever learn, no!

My heart is achin' to see you play

And I can't wait

Till another day

The way you shake me, is really hot

You know how to use

What you got you know

I love playin' with fire

I don't wanna get burned

I love playin' with fire

Don't think I'll ever learn

Actin' tough with looks that kill

You got me goin' and I can't stand still

My arms are dyin' to hold you tight

Well you're my little dark dynamite you know

I love playin' with fire

I don't wanna get burned

I love playin' with fire

Don't think I'll ever learn
