Life is never what you think
Give a sentimental wink
There ya go you don't know what's in store
But you felt it before

Hey, I'm warmin' up to your insides
I don't worry 'cause I got no ties
Not a guy, not a girl
Not a thing, not a thing in this world

Come on out, come on out
Come on out and play with me
Come on out, come on out
Come on out and play with me

Hey baby, did ya ever feel like being crazy?
The borderlines are getting hazy
Rules are what we forgot you're a blaze
Leave them reeling for days

Come on out, come on out
Come on out and play with me
Come on out, come on out
Come on out and play with me

We'll have lots of fun let out emotions run
Nothing tonight is gonna get us down
We'll have lots of thunder let our emotions run
They go round and round and round, round, round,
round

Come on out, come on out
Come on out and play with me
Come on out, come on out
Come on out and play with me

Come on out and play with me
Come on out, come on out
Come on out and play with me

Take me down and play with me
