Time has come today  
Young hearts can go their way  
Can't put it off another day  
And I don't care what the others say  
'Cause they say we don't listen anyway  
Time has come today, hey

The rules have changed today, hey  
I have no place to stay, hey  
And I'm thinkin' about the subway, hey  
Love has gone away, hey

And tears have come and gone, hey  
Oh, my God, I have to run, hey  
I have no home, hey  
I have no home, hey

Now the time has come, time  
There's no place to run, time  
Might get burned up by the sun, time  
Well, I've had my fun, time

Well, I've been loved and put aside, time  
And I've been crushed by tumblin' tide, time  
And my soul's been psychedelized, time

Now the time has come, time  
There are things to realize, time  
Time has come today, time  
Time has come today, time

Time, time, time, time  
Time, time, time, time  
Time, time, time, time  
Time, time, time, time  
Time, time, time, time, time

Now the time has come, time  
There's no place to run, time  
Might get burned up by the sun, time  
Well, I've had my fun, time

Well, I've been loved and put aside, time  
And I've been crushed by tumblin' tide, time  
And my soul's be psychedelized, time

Now the time has come, time  
Time has come today, time  
Time has come today, time
