(Chuck Berry)

Tulane and Johnny opened a novelty shop  
Back under the counter, was the cream of the crop  
Everything was clickin' and the business was good  
'Til one day, lo and behold, an officer stood  
Johnny jumped the counter but he stumbled and fell  
But Tulane made it over Johnny as he yelled

Go ahead on, Tulane, he can't catch up with you  
Go Tulane, he ain't man enough for you  
Go Tulane, use all the speed you got  
Go Tulane, you know you need a lot  
Go Tulane, he's laggin' behind  
Go 'head on, Tulane go head on

Go by your father's house and tell him business is slow  
And see if he will loan us something, soon as he hits  
the dough  
Put the cat out in the hall and rumple up the room  
Go by Doctor Keller's, tell him you swallowed some  
perfume  
Tell him we need him quick, 'cause he may have to  
testify  
That you been sick all day and that's a perfect alibi

Go ahead on, Tulane, he can't catch up with you  
Go Tulane, he ain't man enough for you  
Go Tulane, use all the speed you got

Go Tulane, you know you need a lot  
Go Tulane, he's laggin' behind  
Go 'head on, Tulane go head on

Go, let Danny drive in case you run into the Man  
Back by the shop and git the stuff and hide it in the van  
Go back by your father's, get the money for the bail  
And bring it down and bail me out this rotten, funky jail  
We gotta get a lawyer in the click of politics  
Somebody who can win the thing or get the thing fix

Go ahead on, Tulane, he can't catch up with you

Go Tulane, he ain't man enough for you  
Go Tulane, use all the speed you got  
Go Tulane, you know you need a lot  
Go Tulane, he's laggin' behind  
Go 'head on, Tulane go head on

Go Tulane
