

## Joan Osborne "Dracula Moon"

Visit "[Dracula Moon](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Where are the bones on that one?  
What if the cure is worse than the disease?  
Serve me up some pretty, pretty people  
Serve me up somebody, I can believe

Don't feel sorry for me  
I hate that look on your face  
You say, "Just let go"  
You say, "Come back home"  
I say, "I'm just fallin' from grace"

I'm naked in a hotel room  
My station comin', comin' in loud and clear  
I'm makin' out with my one true love  
I'm makin' this hotel room disappear

Stop feelin' sorry for me  
I hate that look on your face  
You say, "Just let go"  
You say, "Come back home"  
I say, "I'm just fallin' from grace"  
I said, that I like fallin' from grace

You never know it to look at me a the Dracula moon  
See love come down any way you want to

Doesn't ask for your permission  
Open up your arms and we will break you in two

Stop feelin' sorry for me  
I hate that look on your face  
You say, "Just let go"  
You say, "Come back home"  
I say, "I'm just fallin' from grace"

I said that I'm just fallin' from grace  
I said that I'm just fallin' from grace  
Just fallin', oh oh, I'm just fallin'  
Oh oh, I'm just fallin', oh, oh, I'm just fallin'

Fallin' fallin' fallin', just fallin'  
No, I'm just fallin', no, I'm just fallin'

Fallin' fallin' fallin', fallin' fallin' fallin'  
I'm smooth and heavy all over the world  
I'm smooth and heavy all over the world
