The sun goes down too early
The wind goes down my back just like it owns me
I work my job I get my check
I'm tryin' not to let myself get lonely
I'm just dreamin' about the day that I can
Show you all the love I've got for you
I used to hear my heart cry out
I used to feel it pound in me
I used to think it'd break me right in two
Now that seems so long ago
I'm feelin' like there's nothin' I can't do
I'm just dreamin' about the day when I can
Show you all the love I've got for you
Sometimes I can see your face
Taste your lovin' in my mouth
Baby I am comin' back for more
Can't you feel me comin'
Can't you see me comin'
Can't you hear me knockin' on your door?
I'm just dreamin' about the day when I can
Show you all the love I've got for you
I've got so much love for you
