Early in the morning when I'm still in bed
I start thinking 'bout last night
My imagination gets the best of me
And I can feel the match burn twice

Baby, have I told you that I love your way
Only once will never suffice
They say that love is always sweeter the second time
around
And I can feel the match burn twice

Oh, I take my time, time
Oh, I must confess
Oh, oh, here comes the part I like the best, the best, oh

So even when you're miles and miles away from me
Baby, it's no sacrifice
They say that love is always sweeter the second time
around

And I can feel the match burn twice
Oh, shake that, baby girl

Sexy, sexy
Oh yeah

Oh, I take my time, time
Oh, I must confess
Oh, oh, here comes the part I like the best, the best, oh

So even if you're never comin' back no more
Baby, it's no sacrifice
They say that love is always sweeter the second time
around
And I can feel the match burn twice

They say that love is always sweeter the second time
around
And I can feel the match burn twice
Oh sure, I can feel the match burn twice
