I was a troubled soul
I had a worried mind
Drifting from place to place
I was the restless kind

Right there in front of me
Bright as the light of day
You saw a broken girl
You loved me anyway

And if I sprouted wings
I would not be amazed
'Cause faith is a mystery that rocks me
For days and days and day and days and

I could be in the street
I could be on a train
Or stuck in some doorway
Down in the pouring rain

Now there is not one place
That doesn't feel like home
No matter where I go
I know I'm not alone

I've never been so sure of love
I've never been so sure of love
And if I sprouted wings
I would not be amazed
'Cause faith is a mystery that rocks me
For days and days and days and days and

Oh, you can ask me once
And I will tell you twice
No one's convincing me
This isn't paradise

And if I cause you pain
I'd only hurt myself
'Cause we have a righteous love
I feel for no one else

I've never been so sure of love
I've never been so sure of love

I've never been so sure of love
I've never been so sure of love

I've never ever been so sure of love
Never, never, never
