In the cool of the evening  
When everything is getting kind of groovy  
You call me up and ask me  
Would I like to go with you and see a movie?

First I say no, I've got some plans for tonight  
And then I stop and say all right  
Love is kind of crazy with a spooky little boy like you,  
you

You always keep me guessing  
I never seem to know what you are thinking  
And if a girl looks at you  
It's for sure your little eye will be a-winking

I get confused, I never know where I stand  
And then you smile and hold my hand  
Love is kind of crazy with a spooky little boy like you

And if you decide some day to stop this little game  
That you are a-playing  
I'm gonna tell you all the things  
My heart's been a-dying to be saying

Just like a ghost you've been a-haunting my dreams  
And now I know you're not what you seem  
Love is kind of crazy with a spooky little boy like you

Spooky

And if you decide some day to stop this little game  
That you are a-playing  
I'm gonna tell you all the things  
My heart's been a-dying to be saying

Just like a ghost you've been a-haunting my dreams  
And now I know you're not what you seem  
Love is kind of crazy with a spooky little boy like you

Spooky little boy like you  
Spooky little boy like you  
A spooky little boy like you
