Tell me why, tell me why, tell me why
Why can't we live together?
Tell me why, tell me why
Why can't we live together?

Everybody wants to live together
Why can't we be together?

No more war, no more war, no more war
Just a little peace
No more war, no more war
All we want is some peace in this world

Everybody wants to live together
Why can't we be together?

No matter, no matter what color
You are still my brother
I said no matter, no matter what color
You are still my brother

Everybody wants to live together

Why can't we be together?

Everybody wants to live
Everybody's got to be together

Everybody wants to live
Everybody's going to be together

Everybody's got to be together
Everybody wants to be together

I said no matter, no matter what color
You're still my brother
I said no matter, no matter what color
You're still my brother

Everybody wants to live together
Why can't we be together?

Gotta live together
Together
