Whenever I'm with him
Something inside starts to burning and I'm filled with
desire
Could it be the Devil in me
Or is this the way love's supposed to be?

It's like a heat wave
Burning in my heart
Can't keep from crying
It's tearing me apart

Whenever he calls my name, soft, low, sweet and plain
I feel, like yeah, I feel that burning flame
Has a high blood pressure got a hold on me
Or is this the way love's supposed to be?

It's like a heat wave
Burning in my heart
Can't keep from crying
It's tearing me apart

Heat wave
Heat wave

Sometimes I stare into space, tears all over my face
Can't explain it, don't understand it, I ain't never felt
like this before
Now that funny feeling has me amazed
Don't know what to do, my head's in a haze

It's like a heat wave
Yeah, yeah, yeah, yeah
Oh, yeah, yeah, oh

I'm feeling it burning
I'm feeling it burning in my heart like a heat wave
Heat wave, heat wave

I'm feeling, oh, I'm feeling
I'm feeling, I'm feeling
Like a heat wave
