Baby hair with a woman's eyes
I can feel you watching in the night
All alone with me and we're
We're waiting for the sunlight

When I feel cold, you warm me
When I feel I can't go on
You come and hold me
It's you and me forever

Sara smile
Won't you smile a while for me, Sara?

If you feel like leaving, you know you can go
Why don't you stay until tomorrow?
If you wanna be free, you know
All you have to do is say so

When you feel cold, I'll warm you
And when you feel you can't go on
I'll come and hold you
It's you and me forever

Sara smile
Won't you smile a while for me, Sara?
Sara smile
Won't you smile a while for me, Sara?

Sara smile
Won't you smile a while for me, Sara?
Smile
Won't you smile a while for me, Sara, Sara?

Sara smile
Won't you smile a while for me? Come on
Sara smile, Sara, Sara smile
Won't you ever smile a while for me Sara?
Smile, smile
