O dio mio, I love him so  
O dio mio, please let him know  
How much I need him  
How much I want him  
How much I long for his love

O dio mio, what can I do?  
You make him tell me  
He loves me too  
If he would love me  
Oh what a thrill that would be  
If he loved me

Each time I hear the church bells chime  
I dream of him and he is mine

O dio mio, I love him so  
O dio mio, please let him know  
How much I need him  
How much I long for his love

How much I need him  
How much I long for his love  
Make him my love  
Make him my love  
O dio mio
