One boy, one special boy  
One boy to go with, to talk with and walk with  
One boy, that's the way it should be

One boy, one certain boy  
One boy to laugh with, to joke with, have Coke with  
One boy, not two or three

One day you'll find out  
This is what life is all about  
You'll need someone who  
Is living just for you-ou

One boy, one steady boy  
One boy to be with for ever and ever  
One boy, that's the way it should be

That's the way it should be  
That's the way it should be
