(Verse 1)

When I reminisce on times gone by  
I am so blessed to survive  
Hard trials that rolled in like the ebbing tide  
As I think about all I've been through  
I realize it's because of You Lord  
Thank You for the open doors  
The ways You made and so much more

(Channel 1)

Everything that I need  
Everything in order to believe  
It's already inside of me

(Chorus)

And I overcome by the words I say  
I overcome by pressing my way  
I overcome, I overcome by faith

(Verse 2)

If you think your troubles will not pass  
If your sorrows and heartaches are holding fast  
If depression has your senses in its grasp  
Just remember these things can't last too long  
The God of creation will make you strong  
It's never too late to stand just keep holding on

(Channel 2)

Everything you need  
Everything in order to believe  
It's already inside of you

(Chorus B)

And we overcome by the words we say  
We overcome by pressing our way  
We overcome, yes overcome by faith

(Repeat Channel 2)

(Pre-Vamp)

And we overcome by the words we say  
We overcome by pressing our way

We overcome by the prayers we pray  
We overcome by pressing  
We overcome, we overcome by faith

(Vamp)

No matter what hardships we face  
We will not be defeated, no way  
When it's all over you'll here us say, here us say  
We overcome by faith, yeah  
(Repeat)

Overcome, overcome  
Overcome, overcome  
Overcome, overcome  
We overcome by faith
