When I look back on my life
I can see the way You're working in me
Since I've been saved, old passed away
New is my name, I owe You praises, yes

Whatever You desire of me
What You require from me
You got it, You already know
If You need something then tell me
I'll do it Father, oh just tell me
I'll do anything, oh for You

Lord how can I show You I wanna live for You?
What can I do to bring the glory to You?
Tell me where must I go? If You lead I'll follow
What can I do to bring the glory to You?

Who's been by my side, shown in His eyes
That I'm more precious than gold
Lovin' me though so unfaithful
But I'm no more, I live and breathe for You now

Whatever You desire of me
What You require from me
You got it, You already know
If You need something then tell me
I'll do it Father, oh just tell me
I'll do anything, oh for You

Lord how can I show You I wanna live for You?
What can I do to bring the glory to You?
Tell me where must I go? If You lead I'll follow
What can I do to bring the glory to You?

Lord how can I show You I wanna live for You?
What can I do to bring the glory to You?
Tell me where must I go? If You lead I'll follow
What can I do to bring the glory to You?

You're my king, Lord
I place no one above when I think of Your love
My heart, my heart sings Lord

In all that I do, may it glorify You

Lord how can I show You I wanna live for You?
What can I do to bring the glory to You?
Tell me where must I go? If You lead I'll follow
What can I do to bring the glory to You?

You're my king, Lord
I place no one above when I think of Your love
My heart, my heart sings Lord
In all that I do, may it glorify You

Lord how can I show You I wanna live for You?
What can I do to bring the glory to You?
Tell me where must I go? If You lead I'll follow
What can I do to bring the glory to You?

Lord how can I show You I wanna live for You?
What can I do to bring the glory to You?
Tell me where must I go? If You lead I'll follow
What can I do to bring the glory to You?
