Holy God we honor You  
Holy God we bless Your name  
Holy God we honor You  
Holy God we bless Your name

Let Your Presence fill this place Mighty God  
So that we can be changed by Your glory  
As we humble ourselves under Your Mighty hand  
Oh, be exalted

Holy God we honor You  
Holy God we bless Your name

Come and drench our hearts with Your rain  
As the Holy Spirit gives us power  
We surrender everything to You, oh Lord  
Be glorified

Holy God we honor You  
Holy God we bless Your name

Bless the Lord, oh my soul  
All that is within me bless His name  
Bless the Lord, oh my soul  
All that is within me bless His name

All that is within me bless His name  
All that is within me bless His name  
You are holy, yes

Holy God we honor You  
Holy God we bless Your name

We honor You, we bless Your name  
We love You Lord with everything  
We honor You, we bless Your name  
We love You Lord with everything

Holy God we honor You  
Holy God we bless Your name  
Holy God we honor You  
Holy God we bless Your name

Holy God we honor You  
Holy God we bless Your name
