Chorus

If it's not You
Then I don't want it at all
'Cause it's not true
I'm guaranteed to take the fall
I seek You, I hear You
The voice that makes me strong
Now I know it's You and
I won't compromise my heart

Verse I

Here I stand once more
In a dim corridor
And two ways I could take
My heart tends to sway
To the easiest way
And Your ways to forsake
But if I choose to go my way
Then my own life in my hands I take
There's no way I'll make that mistake

Repeat Chorus

Verse II

I just won't accept a great copy of
A cheap counterfeit
When you're blessed with real
You know how it feels you never forget
So the choice is mine
And it seems quite clear
Follow the charted course
And let You steer
I'll have no fear

Repeat Chorus

Special

But if I choose to go my way
Then my own life in my hands I take
There's no way I'll make that mistake

Vamp

If it's not You, I don't want it at all
If it's not You, Lord You're the real, real
There's nobody else I can trust with my heart
So I stand assured, Lord You are the real
(Repeat)
